

Capability Statement

www.pntconsultingllc.net

PNT Consulting, LLC is an integrated full-service provider of Telecommunications Infrastructure Services. Our team has 75 years of collective experience in successfully providing managed wireless infrastructure services for our customers. We leverage OSHA/EM 385-1 Knowledge, along with our CHST & SSHO Certification to tailor our PMI based product management framework with evolving best practices and industry standards. PNT can provide full life cycle project support from greenfield site development to on-site staging. We use our expertise to produce quality, on-time, within budget projects with an industry leading safety record.
